

## SECTOR DEFINED

Use of **innovative technologies** to **enhance existing and create new products**, which can include production activities that depend on **automation, robotics, data, networks, and AI**

## SECTOR FOCUSES

- Food & Beverage Manufacturing
- Semiconductor & Electronic Component Manufacturing
- Solar or Clean Energy Component Manufacturing

## EDUCATION & WORKFORCE

### Daytona State College

- 5 related degree programs
- Federation for Advanced Manufacturing Education (FAME) program based on Toyota's Advanced Manufacturing Technician Program (AMT)
- Center for Business and Industry provides specialized training

### Embry-Riddle Aeronautical University

- 8 related degree programs

## SECTOR HIGHLIGHTS

# 450+

Mfg. Companies  
(Greater Daytona Area)

# 11,890+

Jobs in Manufacturing  
(Volusia County)  
(2023)

# 10%

Historic Growth in  
Manufacturing Jobs  
(Volusia County)  
(2018-2023)

# 127%

Past Growth in Beverage  
Manufacturing  
(Volusia County)  
(2018-2023)

# 18%

Projected Growth in Semiconductor  
and Other Electronic Component  
Manufacturing  
(Volusia County)  
(2023-2028)

# \$78,361

Average Manufacturing Earnings  
(Volusia County)  
(2023)
